

## English

High quality text: The Mousehole Cat

This term we will be focusing on the story of the Mousehole cat. We will retell the story using expanded noun phrases, using the correct form of a or an and using subordinating and co-ordinating conjunctions. In reading we will be reading diary of a killer cat and working on our VIPER skills.

## Maths

This term we will be focusing on constructing 3-digit numbers, comparing them and positioning them on number lines. We will continue our work in measurement thinking about Mass and capacity and finally we will start looking at right angles.

## PE

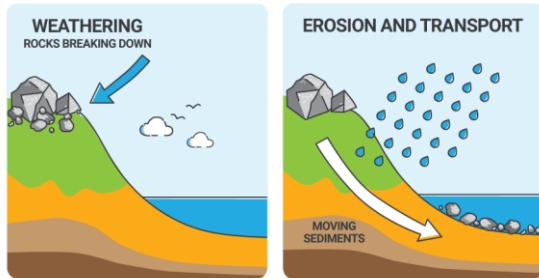

Our PE day this term will be on Wednesday and the children will continue to be taught by Mr Pidgeon. Our topic this term will be Gymnastics. Please ensure children have correct Kit including white T shirt, shorts or joggers. Please ensure no jewellery is worn

## Science

In science we will be learning all about Light. Children will learn to recognise that they need light in order to see things and that dark is the absence of light\_notice that light is reflected from surfaces\_recognise that light from the sun can be dangerous and that there are ways to protect their eyes\_recognise that shadows are formed when the light from a light source is blocked by an opaque object\_find patterns in the way that the size of shadows change

## Geography

In Geography we will be looking at the topic of coasts. We will look at what a coast is, how they are formed, what the dangers are to our coastline, how we can protect them, how coasts are similar or different and how coasts have changed over time.

## French

We will continue to use French instructions that the children learnt in the previous terms. We will then get to know French numbers up to 20.

## Music (Ukulele)

As part of our music curriculum we will have a tutor come into school to teach the children how to play the Ukulele. We will use Charanga in order to focus our musical learning.

**How can we protect  
our coasts?**

**Year 3 Term 3**

**2024-25**

## Art

In art we will be recapping and developing our knowledge of collage in order to create a seascape picture.

## British values, Catholic social teaching and Gem power for the term

CST-

BV –

Gem Power-

## RE and RHE

Our unit this term is CALLED Galilee to Jerusalem. We will learn that the magi brought special gifts to Jesus, know some parables and know that they reveal what the kingdom of God is like and know that the Our Father prayer gives us an understanding of the Kingdom of God. We will use scripture including Matthew 8:5-13 and Matthew 8:1-9.

## Computing

This term we will have a strong focus on online safety. We will learn about the importance of keeping passwords and other personal information secret and safe. We will explore the idea of fake news and looking at what information can and cannot be trusted. We will learn about age restrictions when using the computer.
