

Maths -

In maths we will be calculating within 20. We will be looking at finding the difference between consecutive numbers in different contexts such as pictograms and bar charts. We will also be problem solving within 20.

We will then move on to adding and subtracting ones and tens to and from 2-digit numbers.

Term Four Who is Isambard Kingdom Brunel? 2024-2025

English

In English we will be reading the story 'The Lonely Beast'. We will be retelling the story with our own beasts. We will be learning to use commas in lists and add the suffixes ful (to adjectives) and ly (to adverbs.)

Design Technology (DT) Making Bunting

In DT, we will be learning what bunting is and how it has been used over time. We will research different styles of bunting. Based on what is liked, children will design, make and evaluate their own bunting, learning to use a template, running and blanket stitch.

Computing

In computing we will learn how to search and read web pages effectively. We will also create music using an online program.

British Values, Catholic Social Teaching and Gem Powers

British Values this term is Rule of Law which explains that rules are needed for everyone to be happy, safe and secure.

In Catholic Social Teaching this term, we learn how to share fairly and be peacemakers.

The Gem Power this term is Diamond which is showing that we can be independent and think for ourselves.

RE/RHE

In RHE we will be learning about our feelings and times that we have felt different emotions. We will be thinking about how we should act when we feel cross or angry.

In RE we will be learning about Lent, Holy week and Easter. We will learn about the different symbols and events that took place.

Science

This term we will be exploring **plants**. We will observe and describe how seeds and bulbs grow into mature plants. We will also find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

History

In History we will explore the question, '**Who is Isambard Kingdom Brunel?**' We will learn about his life and his engineering achievements such as the construction of: the Thames Tunnel, the Clifton Suspension Bridge, the Great Western Railway from London to Bristol, the Great Western ship, SS Great Britain and the world's largest ship the SS Great Eastern.

PE:

Monday will be our PE day this term. We will explore throwing and gymnastics.
