

English

The Matchbox Diary – Writing to Discuss - Balanced Argument

Writing a balanced argument about whether or not a character's decision in the text was the best choice for their family. Considering both sides of the debate.

Reading

Victorian themed texts: Gaslight, Hetty Feather.

History – What was it like in Victorian times?

What were the main changes that took place during this time and who were the most important people responsible? *What were the effects of changes in industry, especially factories? *How did town life compare to life in the countryside at this time?

*How did life in Swindon reflect what was going on in

Computing - Quizzing

To create a picture-based quiz for young children based on e-safety.

French:

Year 6 will be recapping key knowledge and skills in preparation for their secondary school Year 7 language lessons.

Music

Year 6 will be working hard to prepare for their end of year production. They will be focusing on rhythm and pitch.

Maths

Reasoning and problem solving through using and applying our knowledge of maths taught. Review learning in preparation for secondary school.

What was it like in Victorian times?

Term 6

2024-25

Catholic Social Teaching, Gem Power and British Value for the term

CST- Common Good

Gem Power- Topaz (team work)

British Value – Tolerance

R.E.

Pentecost and Mission:

Children will learn about the key features of the Pentecost story and its impact on the disciples. They will explore various Biblical sources linked to the Confirmation liturgy and make connections, showing how these texts are used to deepen understanding of the sacrament and its significance.

Hinduism:

Year 6 will develop an understanding about Hinduism, focusing on karma and how actions influence future outcomes in this life and beyond.

Science – Living things and their habitats

This term, Year 6 will explore how living things are classified into groups based on observable characteristics. They will learn to identify and sort micro-organisms, plants, and animals, and understand why classification is important.

R.H.E.

In R.H.E. the children will learn about the Life Cycles. Specifically, about God's design for creating new life through a more nuanced understanding of menstruation, fertility, conception, foetal development in the womb and childbirth.
