

English

In English we will be reading the book *Man on the Moon* by Simon Bartram. We will be re-telling the story of Man on the moon using words ending in ed and connected with and. We will also be writing instructions for how Bob can clean the moon.

How has transport changed over time? –

Part 1

Maths

We will be looking at recognising, compare, decompose and manipulate 2D and 3D shapes. We will briefly look at the composition of numbers from 6-10, focusing on number lines and filling in gaps within them. Year 1 will embed their existing knowledge of odd and even numbers in different contexts. The children will be introduced to the concept of partitioning numbers and begin to be exposed to the very start of addition and eventually subtraction.

British Values, Catholic Social Teaching and Gem Powers

Our British Value this term is democracy, learning how we all have a voice and a say.

Everyone should have a say
Subsidiarity In Catholic Social Teaching this term, we learn how everyone should have a say.

The Gem Power this term is emerald which is remembering that we are resilient and that practice makes perfect.

R.E.

In R.E. we will be learning that the Bible tells different stories of when people met Jesus and recognised that he was special. We will hear the story of Zacchaeus and how he changed after meeting Jesus.

RHE:

In RHE we will be learning about special people in our lives who we can love and trust.

Computing

This term in computing we will learn how to create pictograms and how to stay safe online.

Author of the term

Julia Donaldson

History:

This term in history we will be learning all about travel and transport. We will be looking at Isambard Kingdom Brunel.

Science:

In science this term we will be looking at different materials and their properties.

Art:

In art we will be learning who Vincent Van Gogh is and how created paintings. We will use different materials to create lines and edges and light and dark.

P.E.

In P.E. we will be practicing gymnastics. Learning how to create shapes with our bodies and using these to balance in different ways.

Music:

'In The Groove' is our unit this term. We will learn about different styles of music. 'In The Groove' is a song that we will learn in six different styles; Blues, Baroque, Latin, Bhangra, Folk and Funk. Each week we will listen and learn a different style of In The Groove.
